Salvato Flooring has been installing floors in my commercial and rental properties for 10+ years. It is my pleasure to share my experiences I have had with Jason on our flooring project.

He is very professional and courteous. He has always done things in a timely manner and is flexible with our schedule knowing deadlines we have to meet. The entire process he is reliable and communicates well with start and completion dates. He is a person you can trust and will always leave you satisfied with the services he provides. I definitely recommend Salvato Flooring for all your flooring projects.
